Delhi, India

AK

SUMMARY

I am a motivated Software Tester with experience in automation testing, specifically using Cypress and Playwright. My background includes a B.Tech in Computer Science and roles in both corporate and government sectors, where I developed essential applications and frameworks. With a strong grasp of testing methodologies and a passion for technology, I continually seek opportunities to enhance my skills and contribute to high-quality software development

EXPERIENCE

Programmer Analyst Trainee

Cognizant

01/2026 - Present Chennai, India

- Trained in Cypress Automation Testing for web applications
- Performed UI testing, regression testing, and functional testing
- Familiar with Agile methodology, defect lifecycle, and test reporting
